Moore Montessori Community School, in North Carolina (80% E-rate discount), respectfully requests a waiver of the 2019-2020 Form 471 application and Item 21 deadline.

Moore Montessori was waiting for a quote and Item 21 for cabling, and installation and the quote and Item 21 were not received until just after the filing deadline. As soon as the quotation was received, the application was

filed.<sup>1</sup> The documentation from NC Communications, Inc. on behalf of NC DPI, SPIN 143004930, is uploaded with the OOW application and is included with this Waiver request.

This waiver of the filing deadline is timely filed within the 14-day grace period of the filing window deadline.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019 and we look forward to another year of installs, using the NCDPI contracts and state support of the non-discounted portion to update our infrastructure in transitioning to digital teaching and learning.

Respectfully submitted this 1st day of April 2019,

A handwritten signature in cursive script that reads "Katherine Rucker".
